3. On Friday, 3 February 1960, a formal lease was offered to [REDACTED] at which time he mentioned to [REDACTED] of CIA that the provisions of the written lease were satisfactory with the exception of the annual rent of \$7,500. On the same afternoon I called [REDACTED] and at that time he indicated that an offer of \$12,500 per annum had been received for the property from the White Motor Company. The original offer was left open for acceptance until 6 February 1960, at which time [REDACTED] advised that [REDACTED] had entered into a written lease with the White Motor Company. 25X1A5a1

4. In view of the above, CIA Project No. 080-46-50 can now be cancelled. Discussions have been held with representatives of CSC in regard to one additional location which is available through [REDACTED]. I am awaiting word from the Executive Secretary, CSC, as to whether this space will be satisfactory before a new project will be presented.
